## model PMCD200N

# PERImax pump series™

**Perfect for plumbing, camping, water sampling, testing, DIY projects!**

### Features

- Convenient, cordless, compact, and portable
- Reversible, chargeable, and simple to use
- Robust planetary gear box, 3 roller design
- Can pump slurries with high particulate content
- Pump head is sealed and easily replaceable
- Self-priming and variable speed
- Occasional dry running is not an issue
- Fluid only contacts the inside of the tubing
- Other options and variations available
- Includes one battery and battery charger

### Specifications

- 18 VDC - 400 ml/min flow rate
- Norprene® Industrial Grade A-60G tube
- Use with 0.1875 (3/16) inch ID transfer tubing
- Maximum suction lift: 15 feet
- Weight: 3 pounds

The tubing type, fluid viscosity, and back pressure will determine actual flow rate, psi and current consumption. Not suitable for hot fluids or for high or continuous duty cycles.
